In order to obtain candid evaluations of a student, it is deemed desirable that letters of recommendation be written and maintained in confidence. While non-confidential letters will be received and carefully considered, confidential letters may have more utility in the assessment of the student's qualifications and abilities. Therefore, students are invited, but not required to sign the following waiver.

☐ I understand that letters of recommendation concerning me are to be written and maintained in confidence, and I expressly waive any rights I might have to access such letters under the Family Educational Rights and Privacy Act of 1974, or any other law, regulation, or policy.
