

CIVIL & ENVIRONMENTAL ENGINEERING DEPARTMENT

MS Program of Study

To be completed by student and submitted the 4th week of the 2nd quarter of enrollment. Return completed form to Stacey's mailbox. For questions, email ceesao@seas.ucla.edu or call 310-825-1823.

Name (Last, First): _____

Date: _____

E-mail Address: _____

UID#: _____

Faculty Advisor: _____

Type: New Revised

Quarter & Year of Expected Graduation: _____

Track: Comp Thesis

Select Major Field:

| <input type="checkbox"/> Structures and Civil Engineering Materials | <input type="checkbox"/> Environmental & Water Resources Engineering |
| <input type="checkbox"/> Structural Mechanics | <input type="checkbox"/> Environmental Engineering Option |
| <input type="checkbox"/> Structural/Earthquake Engineering | <input type="checkbox"/> Hydrology & Water Resources Option |
| <input type="checkbox"/> Transportation Engineering | <input type="checkbox"/> Environ. & Water Resources Option |

General Requirements

- | | |
|--|--|
| <ul style="list-style-type: none">○ Must complete 9 courses toward MS Degree<ul style="list-style-type: none">- 5 of 9 courses must be at 200-level- Majority of courses must be within CEE- If you are required to take prerequisites, these courses cannot count toward the 9 required courses. Prereqs may be taken S/U.- CEE 200 cannot count toward 9 courses- 500-level courses do not count toward 9 except for thesis track students- MS Thesis students will complete at least 7 courses plus 2 598 courses.- MS Thesis students should also enroll in CEE 296 under their thesis advisor each quarter.- Enrollment in electives outside of the list provided in the CEE Program Requirements must be pre-approved by your faculty advisor.- 300 & 400-level may only count as electives- Enrollment in courses not counting toward MS Degree are recommended to be completed S/U and not for a letter grade. | <ul style="list-style-type: none">○ Must enroll in at least 12 units each quarter<ul style="list-style-type: none">- If you are receiving a department fellowship or are hired as a GSR or TA, you must enroll in at least 12 units.- If you are pursuing program part-time you must notify your faculty advisor, the CEE SAO, and you must still enroll in at least 12 units by enrolling in CEE 597A (comp track) or CEE 598 (thesis track) under your faculty advisor. CEE 596 is also permissible.○ If hired as a CEE TA...<ul style="list-style-type: none">- TAs must enroll in CEE 375 in the quarter for which they are a TA. (25% TA = 2 units, 50% TA = 4 units)- If you are a TA during Fall quarter, you must also enroll in CEE 495. |
|--|--|

- **Seminar (CEE 200)**
 - Students are required to enroll in seminar each quarter of the MS program.
 - Be sure to enroll in the correct section.
 - Section 1: Structures, Geo, CV Materials
 - Section 2: Environ. & Water Resources

CIVIL & ENVIRONMENTAL ENGINEERING DEPARTMENT

**MS Program of Study
Sample M.S. Course Plans**

Overview

The sample M.S. course plans are provided as a guide to help you develop your M.S. Program of Study.

Resources

Students should refer to the below websites for current Civil and Environmental Engineering program requirements and up-to-date course scheduling information as information is subject to change.

CEE Program Requirements: <https://www.cee.ucla.edu/graduate-student-resources/>

Online Schedule of Classes: <https://sa.ucla.edu/ro/public/soc>

Questions

Students should direct questions regarding changes to your plan, selecting electives, etc. to your faculty advisor. Students should direct questions regarding policy, scheduling, M.S. program requirements, etc. to the Civil and Environmental Engineering SAO at ceesao@seas.ucla.edu.
